Re: Rafik A. Neweir v. Le Parker Meridien 09 Civ. 1819 (JG)

Dear Judge Gleeson:

Counsel for the Defendant in the above-captioned matter wishes to submit a motion to dismiss that is not merely limited to whether the Complaint is barred by a settlement and release and that his Title VII claims are barred as untimely as initially conceived in our letter of August 26, 2009 to the Court, but includes additional grounds for judgment in favor of Defendant. These additional claims are that claims arising under Section 1981 and 1983 are without merit and all pendant state claims must be dismissed. Defendants submit this request in the interest of judicial economy and based upon a further and more extensive review of the Complaint and applicable case law.

Respectfully submitted,

Lois M. Traub (LMT 9977)
